

Is there a fee for becoming a Reseller?

No, becoming a Joker.com reseller is **free**.

However, resellers have to fund their account with Joker.com in advance (pre-payment).

You are free to decide to what extend to fund your account.

Every time you place an order, the amount for this order will be deducted from your account. This is especially useful to guarantee reliable auto-renewals, in case you chose to make use of this feature.
