Introduction

With this request you can send a question to the support team at Joker.com. Only questions, which are sent to the e-mail gateway are accepted.

ATTENTION

Please, make sure that you sign your message with the keypair sent by you to Joker.com during your webmaster registration. Please, also make sure not to include any characters that are not part of the 7-bit ASCII standard and do not use trailing blanks (i.e. every non-blank line has to end with a non-whitespace character).

Request fields

mailto:subject support [your reference id]

Example 1

```
subject support [your reference id]
-----BEGIN PGP SIGNED MESSAGE-----
Hash: SHA1

Enter your question here.
Don't forget to sign it. Question
