

2.1 General information

Why would I register as a Reseller?

Why becoming a Reseller of Joker.com

If you register domains frequently you should consider register yourself at JOKER.COM as a **reseller**.

As a Joker.com reseller, you will not only benefit from **discounts of up to 40%** on all domain prices, but you also will be provided with a set of additional **tools** to register domains effectively, or to build your own sites for administration.

You will have access to an alternative web interface, an easy to use **API** and also an email gateway, using PGP-signed mails.

We also provide a [WHMCS Registrar Module](#) to easily integrate our registrar services into your business.

Benefit from Joker.com Reseller Tools:

- [WHMCS](#): Provided module to easily integrate Joker.com into your WHMCS installation
- [rpanel.io](#): Reseller portal for easy domain management
- [www.ote.joker.com](#), [ote.rpanel.io](#): Test- and tryout system with virtual domains and registries
- Email gateway: Register domains by sending commands by email
