How to update my Reseller data?

Change Reseller Info

To modify your personal data, your standards for registration, whois templates and more, please login to Joker.com using your reseller credentials.

Then in the dashboard, click on "Settings" followed by '[Update Reseller Data](#)', or use the menu 'My Joker', followed by '[Reseller Area](#)'.

You will find more settings like 'language for system emails' or 'auto renewal' in '[Your Account](#)', or also in the menu 'My Joker' followed by '[My Profile](#)'.
