ERRP (Expired Registration Recovery Policy)

Expired Registration Recovery Policy

According to the [ICANN policies](#), all ICANN-accredited registrars like Joker.com are obliged to establish certain procedures regarding **communication with domain owners** (the registrants) in the event of due **renewals**.

As of 9/01/2013, each registrar has to comply with certain minimum requirements regarding the notification of domain owners (registrants) about the **expiration of his domain**.

This is part of the [ERRP](#), the "Expired Registration Recovery Policy", and this also includes the **obligation of the registrar** to send at least **two notices** to the registrant before, and **one** notice after the eventual expiration of a domain.

Please find more details [at ICANN](#).

Timing and number of notices to be sent are defined by ICANN.

Of course, ERRP mails will not be sent if a renewal already happened.

This is the complete schedule of all **renewal notices** issued by Joker.com for domains:

Renewal Notices	sent when	sent to whom (
	60 days before the expiration	creator (who ordered a do
	30 days before the expiration	creator, admin, billing
	26 days before expiration*	owner* (registrant in Whois)
	10 days (was: 2 weeks) before the expiration	creator, admin, billing, ow
	2 days before the expiration	creator, admin, billing, ow
	2 days after expiration	owner , creator

*: new mailing, or new addressee
