With this request you can register one or more domains.

You have to provide the following information within the request:

- domain name(s),
- owner-contact-handle,
- admin-contact-handle,
- tech-contact-handle,
- billing-contact-handle,
- nameserver information,
- additional services, if required.

You can register up to 501 domains with one request.

If you register more than one domain with a request, all domains registered with this request will have the same contact and nameserver structure.

There are two new requestfields within this request:

- name
- address-3
